

CHAITALI RATHOD

ASSISTANT MANAGER

PROFILE

Dynamic and results-driven Production Assistant Manager with over 1.9 years of experience in the manufacturing industry, currently working at CEAT Tyres. Adept at overseeing production processes, optimizing workflows, and ensuring efficient material flow within the production department. Proven expertise in utilizing SAP MM (Materials Management) to streamline procurement, inventory management for smooth production planning and execution. Skilled in configuring and customizing SAP MM modules to meet specific business needs, enhancing supply chain performance, and driving cost-effective operations.

WORK EXPERIENCE

CEAT tyres

2023 - PRESENT

Assistant Manager

- Lead and manage daily production operations in the tyre manufacturing department, overseeing the production line, ensuring timely delivery of products, and maintaining quality standards.
- Implement and manage Material Requirement Planning (MRP) in **SAP MM** to ensure optimal inventory levels for raw materials, reducing stock shortages and overstock issues.
- Streamlined procurement processes by configuring and customizing **SAP MM** modules for purchase requisitions, purchase orders, and goods receipt, improving vendor relationships and lead times.
- Collaborated with cross-functional teams to integrate SAP MM with SAP PP (Production Planning) for smooth production workflows.
- Developed custom reports and dashboards using SAP MM, analyzing procurement performance, material consumption, and stock turnover to support decision-making and continuous improvement.

NCDEX-E Market Ltd.

2022 - 2023

Management Trainee

- Designed and developed responsive, user-friendly web applications using HTML, CSS, and JavaScript, ensuring cross-browser compatibility and optimal performance on multiple devices.
- Worked closely with UX/UI designers to translate wireframes and prototypes into high-quality code, improving user experience through interactive components and animations.
- Conducted thorough testing and debugging using tools such as browser developer tools, ensuring smooth performance across browsers and platforms.

NCDEX-E Market Ltd.

FEB 2022 --Oct 22

Intern

- Assisted in the development and testing of web applications, gaining hands-on experience with frontend technologies such as HTML, CSS, and JavaScript fixing bugs, and adding new features.
